### SAMPLE TWEETS:

[Click to Tweet](#): Abortion is still legal in Iowa, for now. But, today's SCOTUS decision will only make it more difficult for Iowans to obtain care as @IAGovernor comes for our rights. To find abortion access & donate you can visit: <https://www.iowaabortionaccessfund.org/resources/> #Iowa

[Click to Tweet](#): Reminder: @IAGovernor asked the Supreme Court to overturn #RoeVWade despite the fact that a majority of Americans AND IOWANS support safe & legal abortion. #IAGov

[Click to Tweet](#): In a country where Black women are 3 times more likely to die from giving birth than white women (6x in Iowa), banning abortion would only make it more dangerous for marginalized communities to obtain safe health care. PERIOD. #AbortionIsEssential

[Click to Tweet](#): A majority of Americans believe abortion should be legal! Unfortunately, politicians like @IAGovernor & @RepAshleyHinson support the attack against Roe today. But Iowans know the truth: abortion is health care! #Iowa #RoeVWade

[Click to Tweet](#): When @ChuckGrassley blocked Merrick Garland from the Supreme Court, he was setting us up for moments like this. For our freedoms to be taken away. Unfortunately for him, Iowans won't forget. #Iowa #IASen

[Click to Tweet](#): We need leaders who will vote to protect Roe, not work to dismantle it! Iowans support safe & legal abortion and we won't stop until we have leaders who feel the safe way! #Iowa #RoeVWade

[Click to Tweet](#): While @IAGovernor's excited to take away our rights, many Iowans are simply trying to get by as our state continually takes resources from our workers, public schools, & health clinics. It's time our leaders get their hands off our bodies & focus on making lives better. #Iowa
